For joint marketing with other financial companies		No	We don't share	
For non-affiliates to market to you		No	We don't share	
What We Do				
How does SlateStone protect my personal information?	<p>To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include implementing cybersecurity protocols and safeguards, using secured files, secure buildings, and limiting access to only those employees who need your personal information to properly service your account and who supervise employees' activities.</p> <p>Our online environment uses security technologies, including layered security, and two-party authentication protocols where applicable for access / control over personal information.</p>			

How does SlateStone collect my personal information?	<p>We collect your personal information, for example, when you:</p> <ul style="list-style-type: none"> <li>• Open an account</li> <li>• Enter into an investment advisory relationship</li> <li>• Tell us about your investment or retirement portfolio</li> <li>• Seek advice about your investments</li> </ul> <p>We also collect your personal information from others such as your broker or custodian.</p>
Why can't I limit all sharing?	<p>Federal law gives you the right to limit only:</p> <ul style="list-style-type: none"> <li>• Sharing for affiliates' everyday business purposes—information about your creditworthiness</li> <li>• Affiliates from using your information to market to you</li> <li>• Sharing for non-affiliates to market to you</li> </ul> <p>State laws and individual companies may give you additional rights to limit sharing. See below for more on your rights under state law.</p>
